

A Husband's Prayer For His Wife and Their Marriage

Heavenly Father, in the beginning, you yourself instituted the sacrament of marriage. Bless _____ in her role as my wife. Grant her the grace to persevere in Love for me. Help me to be the support she needs today and always, so that she may see Heaven. May my eyes see her as you see her and may I look past her failings to see her as your child and my life partner. May we as a married couple choose you as the foundation of our marital love, and may you strengthen our marriage to withstand all types of suffering. Grant that I may die of myself and trust in your divine plan for our marriage. Help us to be truly one, as you designed. This I pray, in your Holy and Precious name.

Amen.
