ABOUT YOUR TEACHER

Dear Students & Parents,
I am thrilled to be teaching math at Magdalen. As a teacher, I love to help students find joy in learning. It is an extra special blessing to grow in faith with each other as we strive to be saints together and help each other get to Heaven! I truly believe that a student's success depends on the team effort between teacher, student, and parents. Please reach out if you have any questions or concerns. I am looking forward to a year full of faith, learning, and laughter.

SO excited for our year together!
